

Com o objetivo de reforçar a transparência da campanha de vacinação contra a Covid-19, a Prefeitura de Campos, através da Secretaria Municipal de Saúde (SMS), estará disponibilizando a lista de imunizados em seu site oficial: www.campos.rj.gov.br. A medida segue a recomendação do prefeito Wladimir Garotinho, em obediência ao princípio da transparência. Desde o início da campanha, em 20 de janeiro, já foram imunizadas 6.782 pessoas. Nesta primeira fase, seguindo o Plano Nacional de Imunizações (PNI) do Ministério da Saúde, a vacinação é destinada aos profissionais de saúde da linha de frente do combate à Covid-19, idosos institucionalizados e deficientes institucionalizados.

A relação será atualizada diariamente e pode ser conferida neste link.
